Scope and content

This series contains audio recordings and video footage of performances, rehearsals, educational workshops, publicity materials and sound cues. Some are made on the day, as well as broadcasting documentaries produced at a later date. Videos are recorded in various formats: u-Matic, BetaCAM, VHS, DV-CAM and MiniDV cassettes. Audio materials were recorded in reel-to-reel tapes, CDs, and MDs. Not all material has been digitised and catalogued.
